ADA

"The vice presidents are the trustees from this House. We are your trustees."

FOUR COMMITMENTS

The House's voice at the Board table.

01 Keep the Chain Unbroken

Carry the voice of 545 components, 53 constituents and 17 districts to the Board - and bring the Board's work back to every level.

03 Lead With Stewardship

Bring candor, transparency and disciplined oversight to every decision - especially when the questions are difficult or the room disagrees.

02 Make the Value Visible

Tell the ADA's story clearly, correct misinformation quickly and make the value of belonging visible to members and the public.

04 Build What Comes Next

Give early-career dentists an Association they understand, value and want to belong to - because it strengthens their practices and profession.

I will not let this Association's best work go unheard.
